

Recommended Drill Bit

Hilti Product # 385503

Diameter (Imperial)	3/8 in
Length	6 in
Base Materials	Snow, Ice, Debris

Hammer drilling in masonry and concrete

Drilling holes for mechanical anchors

Recommended Anchor

Hilti Product # 282522

Anchor size	3/8 in
Anchor length	3 in
Anchor Type	Mechanical anchor
Material composition	Carbon steel
Material Coating/Plating/Finish	Zinc electroplated to min 5 microns
Length identification mark	D
Drill bit diameter (in)	3/8 in
Thread length	1-1/2 in
Package Quantity	50

Consistent performance for a wide range of mechanical anchor applications
